Welcome to Camp No Limits!

We are so excited to have you join us for the 2017 camping season! This welcome packet is full of helpful information that will assist you in your preparations to volunteer at Camp No Limits!

Camp No Limits started in 2004 with just four camp families. 13 years later we have grown our program and operate in 10 locations nationwide. We have goals to continue expansion and look forward to growing with you and our other dedicated volunteers!

My advice to you for an amazing camp experience:

- **Dive in!** Challenge yourself as well as your campers and form incredible memories to take back home with you.
- **Take time to really get to know fellow volunteers, campers and their families;** building relationships is what camp is all about!
- **Learn from others;** every member of our CNL family brings a unique perspective, from campers and volunteers to staff and visitors. Everyone has a story and something to teach you.
- **Don’t forget the fun!**

Please review all of the materials in this packet and if you should have further questions or concerns please do not hesitate to contact the Program Director or myself. I’m looking forward to working with you to make Camp No Limits 2017 the best yet!

Yours in camping,

*Mary*

Basic Camp Rules

- Please be respectful of individual values, beliefs and backgrounds. We are here to support each other, not pass judgment or offer advice when it is not asked for.

- Parents are responsible for their children at all times. If volunteers are supervising, make sure you check to ensure that the volunteer is watching your child. If your child is not following the rules of the adult volunteer and discipline is necessary, this is the responsibility of the parent and is not expected to be the responsibility of a volunteer. Volunteers are here to assist families and campers please do not abuse this.

- Volunteers are not to be alone with campers under any circumstance. If a situation arises in which a volunteer is put in a position that they would be alone with a camper, they must find another volunteer to be with them. This is for everyone’s protection and safety.

- Please keep shoes on at all times unless in the water or on the beach or pool.

- Pick up after yourself, no littering. Let’s keep camp beautiful!

- You MUST follow the swimming guidelines discussed by our host facility and can only swim during our scheduled times. Lifeguard supervision is required!

- When on a lake do NOT leave on a kayak/canoe without an adult or notifying a Camp No Limits staff member. We will have scheduled times for water activities and need to follow the rules of the waterfront. This applies to all!

- ALWAYS wear a life jacket when on ANY boats! This is the rule for ALL volunteers, staff, campers and family members.

- Please keep track of your own personal items!

- Please respect other campers/family/volunteer property by returning their items to them if borrowed.

- No drugs, alcohol, or smoking allowed on site at Camp No Limits.

- We ask you to stay with the group and our activities at all times.

- ALWAYS NOTIFY A CAMP NO LIMITS STAFF MEMBER BEFORE EXITING THE GROUP!

- At the end of camp, you must sign out before departing for home.

- Most importantly, have fun and create memories to last a lifetime!
FirstGiving Fundraising | www.firstgiving.com/campnolimits |
FirstGiving is a great way to help you cover camp fees. Camp No Limits offers you the avenue of raising these funds through the donation website, FirstGiving. Here you can track, manage and promote your fundraising efforts. Each volunteer is encouraged to raise $250 to help cover costs of attending camp.

Rules around FirstGiving donations relative to Camp No Limits:
• Funds allow you to access food, lodging and program activities during your time at camp.
• Funds DO NOT cover travel fees to get to camp.
• If you have to cancel attending camp one year, funds raised cannot be carried over more than a two-year period.
• All fundraisers must be communicated to the Communications and Marketing Coordinator. Camp No Limits needs to be aware of any fundraisers and the amount raised.

Fundraising Packet
To assist you in your fundraising efforts, we have created a fundraising packet to help out. It is full of fundraising event ideas, tips and other resources to help make your fundraiser successful! The packet is available on the Camp No Limits website.

At each camp location, there will be lots of camp merchandise to choose from! Get your camp swag and rock camp in CNL style!

Merchandise includes but not limited to:
• T-shirts

Health & Wellness

Camp Nurse

Emergency Procedures
The Camp Nurse/EMT will assess all injuries and illnesses. If the sickness requires attention by a physician, they will be transported to nearest medical centre for treatment. A camp staff person or parent will accompany all campers to the hospital.

Medication Administration
It is the responsibility of the camp family to administer any medications to their children. Please ensure your personal medications are put away safely and not in reach of young children. If you require refrigeration or any other special forms of medication handling, please connect with the Program Director upon arrival to organize this for your stay at camp.

Executive Director: Mary Leighton

If you see a board member during camp, please share your questions, comments, ideas, or concerns with them so they can share this at our upcoming meetings! We work hard to deliver a high-quality, safe and fun camp experience for you, the campers and their families!

Mission Statement

To educate and empower young people with limb loss to discover and develop a healthy, happy and independent lifestyle.

Vision Statement

Camp No Limits is the leading camp for young people with limb loss, in the United States and abroad, recognized for camper satisfaction, age specific physical and social skill development, amputee education and peer support.

“I am not what happened to me. I am what I choose to become!”
Without our dedicated volunteers, Camp No Limits would not be possible. You fulfill many roles at camp. You are the counselors, program leaders, amputee role models, support group leaders and even a boat driver! Volunteers come from great distances to help make the Camp No Limits experience an incredible one!

You have been carefully selected for your skills, compassion, leadership and awesomeness!

All volunteers must submit a background check and participate in Camp No Limits’ Volunteer Orientation in order for you to help campers get the most out of their camp experience.

Volunteers are not expected to discipline children if a situation arises. This is the responsibility of the parents or caregivers. You are responsible for knowing where everyone is at all times as to ensure everyone’s safety and wellbeing.

If you should have any issues, please direct concerns to the Program Director and they will be able to help you.

Finally, we encourage you to get to know our incredible campers, their families and fellow volunteers! Building relationships and being part of an incredible community is what keeps our camp families and our volunteers returning year after year!

What you can expect during your stay at Camp No Limits!

While accommodations will vary by camp location, here is a good idea of what to expect before you arrive to help you prepare for your stay.

Living Space
For the most part, you can expect to be staying in dorm like accommodations and sharing space with others. Part of what makes camp an incredible place to be is getting to know everyone!

Money
Extra cash may be needed for occasional optional items at camp. Again, this varies by location. Often we do get sponsors for the optional items but some camps like the YMCA have other activities at extra costs from our usual program. All campers WILL have access to our regularly planned program. Some locations have their own stores with ice cream and snacks at an extra cost, lobster dinner, or some optional activities like zip lining at dark in Missouri. We also have camp merchandise available for purchase during camp. We take cash, credit card, and checks.

Camp Store
If you’d like, you can check out our camp store prior to arriving at camp and place preorders with Missy. Her email address is missy.campnolimits@gmail.com Check out the camp store: https://squareup.com/market/no-limits-foundation-camp-no-limits

Laundry
Laundry services are available at some locations, but not all. It is recommended to prepare for your full stay without laundry services.

Internet
Wi-Fi connections are limited and sometimes not available at all at certain locations. It is best to rely on your own data services when not participating in camp activities.

Showering
Showers, and sometimes bathtubs, are available at all locations. You will not have any issues with finding time to take care of your personal needs. If you require shower chairs or other assistive devices let us know and we will try and accommodate when and where we can.

Smoking
The majority of Camp No Limits locations are strictly NO SMOKING but in some instances there are designated smoking areas. Please contact for more information if this is a concern.

Food/Drink
Camp No Limits provides a healthy and hearty breakfast, lunch and dinner. Sometimes there will be light snacks available at certain locations during the day but this is not a guarantee. Fresh water is available at all times in the dining halls but food is not a 24-hour service. If you choose to bring your own snacks, they will have to remain in your vehicles, as most locations do not allow food in the cabins/rooms. If you are a diabetic and require having food to help control your blood glucose levels, this will be an exception and we will support your needs.
Upon arrival at camp:

1. Please check-in at the registration area. You will have the opportunity to:
   - Learn about exciting camp events and the Volunteer Orientation
   - Meet fellow volunteers and camp staff
   - Ask questions, get answers
   - Learn where to get settled into camp

2. Participate in the Volunteer Orientation!

3. Dive in to camp activities; get to know the campers and fellow volunteers! Use the schedule provided by the Camp Director to know when and where camp activities occur. We hope you have an incredible time!

Before you depart camp:

1. Please ensure your cabin is clean and you have packed all of your belongings. Camp No Limits is not responsible for any missing or damaged items.

2. Say goodbye to your new/old camp friends! Exchange contact info to stay in touch until the next Camp No Limits!

THANK-YOU FOR ALL YOU DO! WE COULDN’T DO IT WITHOUT YOU!

"Be yourself! Don’t wait for approval!"
